Play Like Winners is a volleyball club founded by Penny Lucas-White, a former USA National Team player and current Head Women's Volleyball Coach at Alabama State University, with the following philosophy:

- Provide more opportunities for young people to play and enjoy the sport that has brought Coach Penny Lucas-White so much success.
- Build leadership and develop volleyball skills for all ages.
- Bring new and exciting opportunities to our volleyball community.

Play Like Winners is committed to training and developing young players into dynamic volleyball players.
