

# Register With The Southern Region/USAV

The Southern Region will be registering members using SportsEngine, USA Volleyball's online membership-registration system. **Adult Registration for the 2020-21 season opens Sept. 1st, 2020. Junior's tryout memberships will be available Oct. 1st.** You can purchase a membership at any time after that. Please verify the [Correct](#) membership option you need before purchasing.

**\*\*The Southern Region does not get involved in any contract situations or negotiations between a club and a player/family and/or coach.**

## TRANSFER MEMBERS

If you were previously registered in a different region of USA Volleyball than Southern Region, please email [Membership@srva.org](mailto:Membership@srva.org) with your name and birth date to switch your region affiliation. You will need to do this before you can register for a Southern Region membership. Once you have taken care of this, proceed to the renewing member prompt (below). If you intend to be a Southern Region member for the 2019-20 season, please do NOT register in another region. Please call or email with any questions before you begin your registration process. Also please take a look at the Renewing Member step-by-step registration process on how to request a login (below), which you will need to do in order to set up a username and password.

## NEW MEMBERS (click [here](#) to register)

If you have never registered in the Southern Region of USA Volleyball, or any other region of USA Volleyball, you need to register as a new member. Be sure you know the [Correct](#) membership option membership you need BEFORE starting the application process. [Click here](#) for instructions on filling out the membership-application form through SportsEngine.

## RENEWING/UPGRADING/CURRENT MEMBERS (click [here](#) to register)

If you were previously registered in the Southern Region of USA Volleyball for any type of membership, you will need to log in to SportsEngine and renew or upgrade your membership. Tryout memberships must be upgraded to full memberships by logging into SportsEngine and renewing with the appropriate upgrade membership option. [Click here](#) to reset your SportsEngine username/password. [Click here](#) for a step-by-step registration process. Remember: Parents who have multiple children in club volleyball should note that NO two individuals in the USAV/Southern Region database are allowed to have the same username/passwords to log in. If you need help with a username/password, email: [Membership@srva.org](mailto:Membership@srva.org).
